Apply disruption eCommerce marketing approaches by integrating Fashion and Textiles focused at children .

How to enter globally direct to children as consumers under PAYE program McDonald coupon.

Add to discussion how to add to McDonald for children clothes.. intrinsic wealth for children who buy McDonalds

NEW FROM MCKINSEY & COMPANY

Fashion: Deep dives on five important industry trends

Take a closer look at the issues that will define the fashion agenda in 2019, part of a series emerging from our annual *State of Fashion* report.

The end of ownership for fashion products?

Business models capitalizing on preowned, refurbished, or rented products have hit the fashion market. The industry needs to pay attention as these models continue to evolve.

[Embrace novelty and sustainability →](#)

The influence of 'woke' consumers on fashion

Shoppers, particularly younger ones, have social and environmental issues on their minds.

[What are the implications? →](#)

How India's ascent could change the fashion industry

There's great promise in India's apparel market—but challenges as well. Here's what brands need to know about the country's rise.

[Understand the market →](#)

Caution ahead: Global growth and the fashion industry

Our *State of Fashion 2019* report suggests dampening economic growth is one of ten important trends to watch for the year. What will it mean for your company's strategic agenda?

[Be on the lookout →](#)

The fashion market and 'Trade 2.0'

Companies should make contingency plans for a potential shake-up of global value chains. Here's how the apparel trade could be reshaped by new barriers, trade tensions, and uncertainty.
