**Subject:** RE: McDonald's Canada Is Officially Changing The Beef In Its Burgers - Narcity

This is your expertise to find value any article, no matter what the subject is.  
However, what I perceive from the Article,... Why not HALAL (ZABIYA) meat targeting Muslims  
When I was there in Florida and use to go out with family to a fast food, KFC was the best choice as at some branches it offered Halal Chicken. And that too we had travel to a different nearby city
