

[Mr. Shroff was Invited as Guest Speaker at an Entrepreneurial Event at SZABIST Univerisity](#)

He was also invited as a guest speaker at an entrepreneurial event at SZABIST

[www.szabist.edu.pk](http://www.szabist.edu.pk) business school speaking on "*How to Develop Entrepreneurial Skills during College Life through Equity Ownership in a Business*". The idea was to mentor, encourage and stimulate students that it is not indispensable to begin one's professional career by taking a job after attaining a degree but can start to generate an attractive income during studies working as an independent entrepreneur by capitalizing in the world market E-commerce opportunities from your country through a reverse merger with a public listed shell company by developing a business model of a virtual organization to create global wealth.
